Sec. 2. After the completion of such bridge, as determined by the Secretary of War, either the State of Missouri, any political subdivision thereof within or adjoining which any part of such bridge is located, or any two or more of them jointly, may at any time acquire and take over all right, title, and interest in such bridge and its approaches, and any interest in real property necessary therefor, by purchase or by condemnation in accordance with the laws of such State governing the acquisition of private property for public purposes by condemnation or expropriation. C. Barnhill, his heirs, legal representatives, and assigns, shall make available all records in connection with the construction, financing, and promotion thereof.
